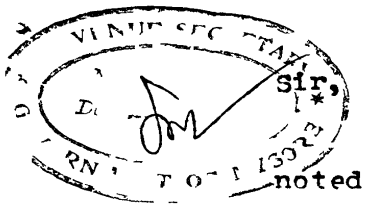
Subject Supervision of Toll Collections in Chickballapur Municipality.



Sir,

I have the honour to state that at present the * marginally noted staff is attending to the collection of toll in Chickballapur Municipality and the toll is managed departmentally. The toll Inspector is supervising the work at the several gates in the town and he is appointed under the C.R.B. rules The President, Chickballapur Municipality in his letter No H.C. 108/45-46 dated 27-6-1946 reports that the pay of the toll inspector viz. Rs. 12/- is very megre and not encouraging and therefore officials posted for work will not stick on to the job but resign it or have recourse to corrupt practices.

The Municipal Council who have considered this question have resolved at their meeting held on 10-5-1946 that it is better to entrust the supervision work to the octroi manegar who is the executive official going round the town visiting the several toll gates. The pay of the octroi manegar in the Municipality is Rs. 15-1-20 and the council proposes to give him an allowance of Rs. 10/- p.m. for the supervision of toll collections Payment of an allowance will induce the official to do honest and effecient work . Government in their order No.L.8864-5/Ml.4-44-49 dated 7th March 1945 have been pleased to sanction a similar allowance to the official at Kolar Municipality and a copy of the order is enclosed for ready reference. I agree with the Municipal Council and request you to kindly obtain sanction of Government for entrusting the supervision of tolls to the octroi mutsaddi and to pay him an allowance of Rs. 10/- p.m. for this extra work. The extra cost will be met out of the savings caused by the abolition of the post of the toll inspector.

I have etc.,
